

Mid-MO Amateur Radio Club
Jefferson City, Missouri

2M Net Suggested Operating Procedures

14 April 2011

(Call the Net to order with the following call-up:)

**Calling the Mid-MO Amateur Radio Club 2-Meter Net...
Calling the Mid-MO Amateur Radio Club 2-meter Net.**

This is (your call) your net control for this evening. My name is _____.

(Brief announcements)

This net meets every Wednesday evening at 8:00 p.m. local time on the Jefferson City Repeater. This repeater transmits on 147.00MHz with a negative offset and requires a 127.3 Hz sub-audible CTCSS Tone.

Mid-MO ARC meetings are held on the 2nd Thursday of each month. Amateur Radio license exams are available following each meeting. We also meet every Saturday morning for breakfast. CW practice (Advanced and Beginning) is held before and after breakfast.

Further information regarding our meetings, license exam availability, breakfast, cw practice and other club activities will be given at the end of the net.

ALL stations are welcome and encouraged to check-in.

(Call for stations with EMERGENCY or PRIORITY traffic)

Stations with EMERGENCY or PRIORITY traffic please call now.

(Call for stations with formal NTS traffic)

Stations with formal NTS traffic please call now with your name and call sign.

(Call for short time and mobile check-ins, then portables)

Short time and mobile stations please call now with your name and call sign, and please listen before you call to help avoid doubles.

(Call for regular check-ins, repeat as necessary)

Any station wishing to check in please call now with your name and call sign, and please listen before you call to help avoid doubles.

(After acknowledging each station, go back to the top of the list and ask for any comments. Repeat this for each subsequent group of check-ins)

(Call for re-check, repeat as necessary)

Additional stations wishing check in, or to re-check with additional comments please call now.

(Before calling for final check-ins make the following announcements)

(Announce the date, time and location of the next MMARC meeting and other activities)

Mid-MO ARC meetings are held on the 2nd Thursday of each month at 7:00 p.m. The next meeting and Amateur Radio License Exams will be _(date)_ at the Central United Church of Christ, 118 West Ashley St. (corner of West Ashley and Washington Streets). A map to our meeting site is available for the asking, contact Mike Miller, WAØZOG, at 573-632-9238, or via e-mail to WAØZOG@ARRL.NET .

Amateur Radio license exams are available following each meeting. We ask that you notify us as early as possible if you wish to take an Amateur Radio examination following one of our meetings. To schedule an examination, please contact, Nancie McAnaug, NMØC, evenings at 573-636-5999, or via e-mail at NMØC@arri.net.

The club also meets each Saturday morning at 8:00 a.m. for breakfast in the basement meeting room at Mel's Country Café, 2421 Industrial Drive. Come by and enjoy some great food and fellowship with us!

Those interested in improving their CW skills are invited to attend the Advanced Morse Code Class which also meets at Mel's Cafe at 6:45 a.m. on Saturday. We also offer beginning and intermediate Morse Code Classes following the Saturday morning breakfast. If you are interested in learning the Morse Code, contact Kent Trimble, K9ZTV, evenings at 573-893-8662, or via e-mail at K9ZTV@socket.net.

Talk-in for these activities will be on this repeater.

(Make any other announcements , training classes, operating activities, etc., that may be necessary)

(Make a final call for late check-ins or re-checks)

This is (your call) with the final call for check-ins and re-checks to the net. Please call now.

(If you got more check-ins from the call 'final call', make another 'final call' until there are not further check-ins)

(Thank all stations who have checked in and close the net)

Thanks to all stations that checked in tonight. This is (your call) closing the net at _(time)_ local time. The repeater is now available for regular use. Good evening.

Make note of number of net check-ins and any NTS or Emergency Traffic Handled.

Tally the # of net check-ins. Remember to count yourself.

Immediately following the Net, please report the # of check-ins to the following people::

Mike Dolson, NØZH, NØZH@arri.net , Net Manager

Mark Eberle, KIØY, Mark@The-Eberles.net, MMARC Secretary-Treasurer,

Or bring them to the next meeting of the MMARC.
